What is a Digital Library?

"managed collection of information, with associated services, where the information is stored in digital formats and accessible over a network" (Arms, 2000, p.

Digital Libraries benefit users by:

Bringing the Library to the user

Improving access

Easier and wider sharing

Shrinking time and space

Maintaining the collection

Saving money

Improving preservation

Possible collaborations around the world

What does ICDL has for you?

A collection of 4619 books from around the world in 59 languages.

You can search books in variety of ways:

By length

Country of origin

By age group

Language

Picture or chapter book

Genre

Mission of ICDL

To excite and inspire children of the world to become members of global community.

Be the children who understand the value of tolerance and respect for diverse cultures , languages and ideas.
